## Australia Truckies Atlas by Hema

The Australia Truckies Atlas is a complete road atlas of Australia with additional truck-related features like B-Double and Road Train Routes. There's also plenty of advice on permits, limits, and load safety. Other features include: B-Double, Road train routes and OD routes, truck stops, heavy vehicle rest areas, weighbridges, low clearance bridges, quarantine checkpoints, distance charts, 112 town maps, expanded suburbs maps. Laminated board spiral bound cover. 245mm X 252mm. 172p. (4th Edition 2011). ISBN 9781865005874 **RRP \$39.95**

## Exploring Namadgi on Foot by Graeme Barrow

The Namadgi National Park to the west and south of Canberra covers almost half the Australian Capital Territory, or 106,095 hectares. It is a place of mountains and valleys, ideal walking country for those who want to spend some time in the bush. There are links with Aboriginal people who once visited or lived in this vast area and with European settlers who ran sheep and cattle. This book describes 40 bushwalks within the park, almost all on marked tracks or fire trails. They vary from easy to hard. Soft cover. Perfect bound. Full colour. 96 Pages. 210mm X 147mm. (2010). ISBN 9780977532841. **RRP \$24.95**

## United States of America Map by Hema

Detailed road distances, Native American reservations, National Parks, Fully indexed etc. Scale: 1:2,653,000

### Two Versions

**Deluxe Cover:** ISBN: 9781934006771 **RRP \$19.95**

**Paper Cover:** ISBN: 9781865002767 **RRP \$14.95**

Full colour. 48 pages. 290mm X 225mm. (2010). **RRP \$12.95**

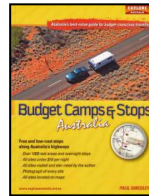

## Canning Stock Route Map 6<sup>th</sup> Edition by Westprint

This is the 'must-have' map for anyone contemplating or doing the Canning Stock Route. The entire route has been mapped out with every conceivable point of interest marked clearly with GPS references for all to find.

In addition to the detailed mapping, there is enough written information to fill a detailed book of the trip. In fact, there would be very few, if any, questions left unanswered.

Scale is 1:1,000,000. Publication date: 2011. 5th Edition. ISBN 9780646182230. **RRP \$9.50**

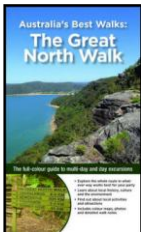

## Budget Camps & Stops Australia by Paul Smedley (Explore Australia)

Paul Smedley pioneered books about free rest stops around Australia with his 'Bush Camps and Rest Areas' series of books. His wealth of knowledge and travelling experience has now been put to good use by Explore Australia Publications in this completely new book on the subject.

More than 1000 locations are featured with facility symbols, star ratings, descriptions and map references. All entries include a photograph of the site and all sites are located on touring maps.

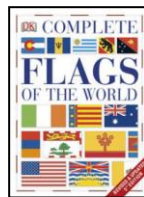

Soft textured cover. Perfect Bound. 352 pages. approx. 281mm X 218mm. ISBN 9781741173482. (1st Edition 2011). **RRP \$34.95**

## The Great North Walk **DUE SOON** by Matt McClelland

The 250-kilometre Great North Walk winds its way from Central Sydney to Newcastle, threading through some of the most beautiful areas in between those two cities. This new guide has been written for anyone looking to tackle all or part of the route as a multi-day holiday, or those who want to dip in and experience particular sections as day walks. It has also been written to be followed easily in the reverse direction. Included are full-colour photography and accurate maps, easy-to-follow instructions and great local information.

Soft cover. Full colour. 160 pages. 220mm X 130mm. (2011) ISBN 9781921683121. **RRP \$29.95**

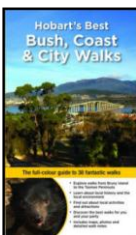

## Complete Flags of The World by Dorling Kindersley (U.K.)

Over 300 national, international, official and provincial flags from around the world are stunningly presented in full colour.

Detailed information includes an explanation of the flag's origins and particulars on the historic and symbolic significance and development of every national flag. Flags of major international organisations are also included. Soft laminated board cover.

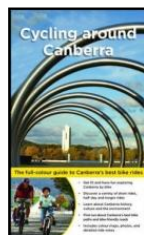

Full colour. 240 pages. approx. 215mm X 152mm. 2008 edition. ISBN 9781405333023. **RRP \$29.95**

## Hobart's Best Bush, Coast & City Walks by Ingrid Roberts

Hobart - capital of Australia's favourite state for bushwalking - and its environs boast a huge range of beautiful environments, making the region perfect for exploring on foot. Hobart's Best Bush, Coast & City Walks, introduces the best walks for visitors and residents alike, ranging from historic urban strolls to the more rugged tracks deep in the local bush.

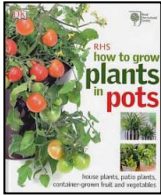

Soft cover. Full colour. 208 pages. 220mm X 130mm. (2011) ISBN 9781921683664. **RRP \$29.95**

## Cycling Around Canberra **DUE SOON** by Ashley Bruce

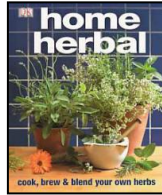

Cycling Around Canberra includes: five themed chapters; all the information required to plan a trip, travel to the start using public transport, and confidently navigate the route; great ideas on places to visit, restaurants and cafes to enjoy, and a wealth of facts to broaden the mind; plus detailed maps and over 100 inspirational full-colour photographs.

Soft cover. Full colour. 200 pages. 220mm X 130mm. ISBN 9781921606014. (2011). **RRP \$29.95**

**Australian Bush Flower Essences**  
by Ian White

*Australian Bush Flower Essences*, contains fifty bush flower essences from all over the Australia, as well as detailed information about their preparation and use in all areas of healing.  
Fully illustrated. It is the most comprehensive and far-reaching book yet written about this important modality. It is designed to allow anyone to feel competent and confident in using these essences to bring about health, harmony and well-being.  
Soft laminated cover. Colour & B/W images. 210 pages. (2008 reprint). 261mm X 176mm. ISBN 9780905249841. **RRP \$34.95**

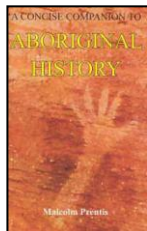

**Wetland Habitats**  
by Nick Romanowski (CSIRO)

*Wetland Habitats* is a practical and easy to use manual for wetland restoration and conservation of diverse animal species. It discusses making the most of dams and created wetlands: reversing the effects of drainage, grazing, weirs, deteriorating water quality, and associated algal problems: captive breeding and reintroduction: and controlling weeds and vermin.  
Soft laminated cover. Perfect bound. Colour photographs. 178 pages. 247mm X 172mm.  
ISBN 9780643096462. **RRP \$49.95**

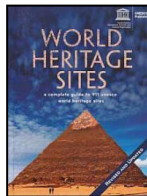

**The Bee Book**  
by Ann Cliff

Anyone interested in growing food, who wants to find out what a beehive or two will give them, even on such a small scale as the suburban backyard or the terrace-house garden, will find this book an indispensable introduction to keeping bees.  
Soft laminated cover. Full colour. 137 pages. 234mm X 153mm. (2010) ISBN 9780947214609. **RRP \$21.95**

**A Concise Companion to Aboriginal History**  
by Malcolm Prentis

This book provides an overview of Australian Aboriginal history from creation stories involving the Dreaming through to Aboriginal cultural and political activity in the 21st century. Its alphabetically arranged entries include biographies, historical events, pioneering work by anthropologists, historical controversies, literature and sport, and a number of social issues. Malcolm Prentis has paid a particular attention to covering all regions of Australia and the Torres Strait Islands, and all periods of recorded history. As well, the book includes photographs, maps, population tables, a chronology and bibliography.  
Soft cover. 210mm X 132mm. (2011 reprint). B/W photos & text. ISBN: 9781921719035. 264 pages. **RRP \$19.95**

**World Heritage Sites**  
by Unesco

A total of 911 sites from 151 countries across the globe are described. Many are familiar, such as the Great Barrier Reef, the Great Wall of China and Mount Kilimanjaro, and many are less known but equally important, including Sweden's Engelsberg ironworks and the Sewell Mining Town in Chile.  
Featuring gorgeous photographs and updated maps, "World Heritage Sites" is a uniquely comprehensive and valuable resource to the world's most important historical and natural treasures. A Massive 856 pages.  
Soft laminated cover. Full colour. 210mm X 163mm. (2011). ISBN 9781554078271 **RRP \$44.95**
