RRP \$15.95

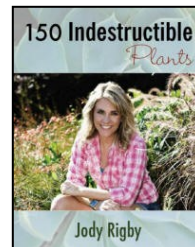

### 150 Indestructible Plants

By Jody Rigby

This great book includes feature plants that require very little looking after and still look like prima donnas, and wonderful flowering plants that will happily bloom and brighten up the months without needing to be molly coddled. Being plant savvy is all about choosing the right plants for your garden's soil type and climatic region — and there's no point wasting hundreds of dollars on water-hungry plants when you have no intention of watering more than once a week for five minutes while the dinner's on. Soft laminated cover. Spiral bound. Full colour. 208 pages. 245mm X 175mm. ISBN 9780977518869.

RRP \$29.95

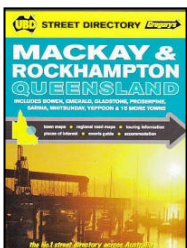

### Mackay & Rockhampton
